

To renew the CCDM certification, credit can come from either SCDM activities or from other organizations.

SCDM	NON-SCDM
Webinars Conference attendance Forum attendance Tutorials	Any non-SCDM, DM specific educational activity. CEUs from external sources will be taken at par. Other training that does not provide CEUs will be considered on a case by case basis.
Committee Chair /co-chair, Board member, Sub committee or task force leader Active SCDM committee participation Published article in the SCDM newsletter or Data Basics Presentations given for webinar, tutorial, conference	Any non-SCDM, Non-DM specific educational activity. Participation credits from external sources will be taken at par. Other training that does not provide participation credits will be considered on a case by case basis.

60%

40%

At least 60% of credits used to apply for re-certification must be within the field of data management and must be from formal training in compliance with IACET standards (organizations do not have to be accredited though). Up to 40% of necessary credits can originate from participation in SCDM activities as a volunteer or non data management specific formal training.
